### ***Lamprey Regional Solid Waste Cooperative***

Joseph B. Moriarty, Representative

### ***Oyster River Cooperative School District***

Mark Townsend, Board Member 2012

## RECORD OF TOWN MEETING

MARCH 10, 2009

Moderator Richard R. Houghton called the Annual Town Meeting of the Town of Madbury, County of Strafford, and the State of New Hampshire, to order Tuesday, March 10, 2009 at 11:00 AM. The polls were declared open and the following Ballot Clerks were sworn in by the Moderator:

Diane Hodgson   Mary Ellen Duffy   Melissa Walker   Jill Leavenworth

At 7:00 PM Moderator Houghton asked the assembled citizens (approximately 70) to stand for a moment of silence for those Madbury citizens who have died since last year's Town Meeting and to remain standing for the Pledge of Allegiance led by Town Clerk Pamela A. Seaver.

Those deceased include: Sarah Jones, Nelson Bolstridge, Lula Austin, Lewis Brown, Sr., Francis Laney, Alfred Grimes, Sheila Bennington, and Bette Aylward.

ARTICLE 1. The following Town Officers were elected by Official Ballot:

Selectman for the ensuing three years.....Joseph B. Moriarty  
Treasurer for the ensuing year.....Deborah M. F. Ahlstrom  
Trustee of Trust Funds for the ensuing three years.....Robyn Gault  
Two Auditors for the ensuing one year.....Susan J. Cilia  
.....Denise DiHarce  
Cemetery Trustee for the ensuing three years.....William Leslie  
Library Trustee for the ensuing three years.....Edna White O'Sullivan  
(Sample ballot on file)

ARTICLE 2. Voted by official ballot to add to the Zoning Ordinance Article XXI Flood Hazard Overlay District, intending to bring the town into compliance with federal requirements for participation in Flood Insurance Program(s). This Article was recommended by the Planning Board.

YES – 168   NO – 19   PASSED

ARTICLE 3: Voted by official ballot to repeal from the Zoning Ordinances Article VII-A Neighborhood Commercial Zone, eliminating that Zone and thereby returning the lots in that Zone to the surrounding Residential/Agricultural Zone. This Article was recommended by the Planning Board.

YES – 147   NO – 32   PASSED

ARTICLE 4: Robert Houston moved and Peggy Wolcott seconded a motion to authorize the Selectmen to choose all other Town Officers. No discussion.

PASSED

ARTICLE 5: Bruce Hodsdon moved and Roberta Stearns seconded a motion to

raise and appropriate the sum of \$1,240,583.00 for general municipal operations. This operating budget warrant article does NOT include appropriations contained in any other warrant articles.

Selectman Hodsdon said the major increases in this year's budget allow improvements to roads that need repair, "pay ourselves back" for the funds "loaned" to the Conservation Fund in order to finalize the Gangwer Conservation Easement; and make the last of four payments (\$51,500.00) on the Iafolla land. The town voted, in Article 4 at the March 9, 2005 town meeting, to buy the G&R Associates parcel (Map 3 Lot 16), also known as the Iafolla land, and to pay for it in four installments. After this payment the town will be debt free once again.

Connie Eppich asked about the line item "Recycling." Selectman Hodsdon said that the \$12,681.00 was our agreement with Dover to use their Recycling Center. The whole question of "who, how, where, and when" of recycling for Madbury was discussed at length with questions and comments from many citizens. Selectman Moriarty fielded many of the questions with the conclusion that Madbury's system of roadside pickup of recyclables by John Davis is not perfect but people may bring their recyclables to the Dover Center if they would rather.

After a few more questions a vote was taken and the measure unanimously  
PASSED.

ARTICLE 6. Joan Sundberg moved and Barbara Houston seconded a motion to create a Capital Reserve Fund for the purpose of the revaluation of properties and to raise and appropriate \$15,000.00 to add to this fund and further to name the Board of Selectmen as agents to expend from the fund.

Sundberg explained that towns are required to have a total town revaluation of their properties every five years. Madbury's last one was in 2005. The reval for 2010 is expected to cost about \$30,000.00.

By creating and funding this new Capital Reserve Fund with \$15,000.00 this year we will already have saved half the cost for 2010.

No questions or comments. A vote was taken and it unanimously PASSED.

ARTICLE 7: Jill Leavenworth moved and Ric Erickson seconded a motion to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to add to the existing Capital Reserve Fund established in Article 9 at the 2002 Town Meeting for a Library Building Fund.

Betsy Renshaw, President of the Friends of the Madbury Library, reported that the Friends have been actively moving toward a new building. A hired consultant is almost ready with the final draft of the program that will then go to an architect. With no questions a vote was taken. It unanimously PASSED.

ARTICLE 8. Jim Davis moved and Roberta Stearns seconded a motion to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to add to the existing

Capital Reserve Fund established in Article 8 at the 1994 town meeting for the purpose of equipment.

Joe Yadao asked what this fund would be used for next. Jim replied, "a new pumper." There being no further questions or discussion a vote was taken and the article unanimously PASSED.

ARTICLE 9. Rod Hutton moved and Arthur Anderson seconded a motion to raise and appropriate the sum of two thousand dollars (\$2,000.00) to add to the existing Capital Reserve Fund established in Article 6 at the March 1994 town meeting for the purpose of maintenance and operation of the Madbury Memorial Park.

Cemetery Trustee Hutton explained that the Trustees would like to install a sprinkler system in about 3 years and that this money would be a payment to the Capital Reserve Fund for such a system.

There were no questions. A vote was taken.

PASSED

ARTICLE 10. Eric Fiegenbaum moved and Peg Irish seconded a motion to vote the retention of the unexpended portion of the 2009 Conservation Commission appropriation, said appropriation to be placed in the Madbury Conservation Fund. Eric explained that we have this article every year in order to take advantage of state law allowing the use of the whole Commission budget either through expenditure or saving to the Fund.

No discussion or questions. A vote was taken.

PASSED

ARTICLE 11. Eric Fiegenbaum moved and Chuck Goss seconded a motion to vote to adopt the provisions of RSA36-A:4-a, I(a) authorizing the Conservation Commission to expend funds to purchase interests in land outside the boundaries of our municipality, subject to the approval of the local governing body.

Conservation Commission Chairman Eric Fiegenbaum explained that this was new legislation adopted in 2008 that takes care of a "gray area" in the original law. If towns adopt this RSA at a town meeting then they can enter into conservation easements that cross town lines. If a town does NOT adopt this RSA then it CANNOT enter into such easements. Eric said that Madbury has already entered into four such bi-town easements. By passing this article Madbury will be legally doing such easements

No discussion or questions. A vote was taken.

PASSED

ARTICLE 12. Eric Fiegenbaum moved and Chuck Goss seconded a motion to vote to adopt the provisions of RSA36-A:4-a, I(b) authorizing the Conservation Commission to expend funds for contributions to "qualified organizations" for the purchase of property interests, or facilitating transactions related thereto, where the property interest is to be held by the qualified organization and the town will retain no interest in the property.

Again Eric said this article gives the Conservation Commission more flexibility legally. Again there were no questions or discussion. A vote was taken. PASSED

Moderator Richard Houghton announced that it was 7:55 PM and anyone who

had not voted on the school and/or town ballots must do so now because the polls close at 8:00 PM. Dick gave a very brief history of Madbury's Elliott Rose Greenhouses, from their beginnings in 1901 to their demise in 2008. He declared the polls were closed at 8:00 PM.

ARTICLE 13. Library Trustee Peggy Wolcott acknowledged Craig Seaver for his services as an original and 6-year Library Trustee. He did not run this year for another term. She also thanked him for the beautiful 2008 Annual Town Reports, which he compiled, designed and had printed.

Police Chief Joseph McGann introduced his six officers to the assembled citizens.

Joan Sundberg recognized Diane Hodgson for her many years of service to the Town, especially as the Selectmen's Assistant. Joan also introduced Colette Clickman, the new Selectmen's Assistant and Marcus Everngam, the new Building Inspector.

Nancy Pape reminded everyone of our Annual Town Cleanup, to be held the week of April 19-25.

Chuck Goss encouraged membership and attendance at the Madbury Historical Society meetings.

ARTICLE 14. Craig Stephan asked if there were plans for the use of the Old Stage Road Iafolla parcel now owned by the town. Selectman Hodsdon said the excavation of the pit is finished, the reclamation still needs to be done, and the town has no plans for its use at this time.

Selectman Moriarty introduced a discussion about the Perkins Road railroad bridge. He said the Selectmen wanted to get a sense from the gathered citizens of what they wanted to do with the old bridge, which has been closed for over six months due to structural problems discovered during the UNH pipeline construction. He presented four options:

1. To have the state remove it with no costs to the town, and leave it at that.
2. To have the state repair the bridge as originally constructed, with the town taking ownership in 5 years and being responsible for upgrading the bridge in 10 years.
3. To have the state build a new, upgraded bridge (at a cost of at least \$1,500,000.00) and the town build the approaches to achieve the new required bridge clearance of 22 ½ feet above the rails (at a cost of at least \$500,000.00).
4. To have the state remove the bridge at no cost and the town possibly building a walking/biking bridge 22 ½ feet above the rails at town expense.

A forty-minute discussion ensued. Although some wanted to keep the bridge, a straw vote went overwhelmingly for removing the bridge. The Selectmen will be discussing this further; no final decision was meant to be made tonight.

The meeting was adjourned at 9:05 PM to count the ballots, with official adjournment at 9:40 PM.

Pamela A. Seaver  
Town Clerk

Then came before me: Joseph B. Moriarty, Deborah M.F. Ahlstrom, Susan J. Cilia, Denise DiHarce, Robyn Gault, William Leslie, and Edna White O'Sullivan and took their oaths of office as required by law.

Pamela A. Seaver  
Town Clerk

## BOARD OF SELECTMEN

Joseph (Jay) Moriarty was re-elected once again to the Board of Selectmen at the 2009 Town Meeting. Board appointments for 2009 were made at the first regular meeting following the Town Meeting. Joan Sundberg was elected Chair, and was appointed to serve on the Planning Board and as assistant to the Welfare Officer. She also continued to represent the Town on the Board of the Southern Strafford Community Health Coalition, transitioning to the Board of the Health and Safety Council of Strafford County when this larger group replaced the Coalition in July. Bruce Hodsdon was once again appointed Welfare Officer. He was also appointed to serve on the Recreation Commission and as the town's representative to McGregor Memorial EMS. Jay Moriarty continued serving on the Board of the Lamprey Regional Solid Waste Co-operative and as Road Agent for the town, and was appointed to the Water Resources Board.

The Board renewed its contract with Dragon Mosquito for maintenance of the town's mosquito control program. The program includes monitoring breeding areas and applying larvacide when necessary, and spraying for adult mosquitoes as required. The Board also renewed its contract with the City of Dover for use of the Recycling Center located on Mast Rd. and continued the town's membership in the Strafford Regional Planning Commission.

At the 2009 Town Meeting, a "sense of the town" discussion indicated that the Perkins Rd. Bridge, which was closed due to its hazardous condition, should be removed. After meeting with state officials, selectmen held a public hearing on the issue in July; at that meeting, removal was confirmed as the best option. The bridge is scheduled to be removed by the state in 2010. After removal, the state will landscape the area, and barriers will be erected as necessary to restrict access to the railroad tracks.

The final payment was made for the Iafolla property off Old Stage Rd. in 2009. Selectmen have met with representatives of the Planning Board, the Water Resources Board and the Conservation Commission to walk the land. Some reclamation will begin soon, but future development of this property is a longterm project.

The town owns several parcels of land along Town Hall Rd. In 2009, the Selectmen commissioned a survey of six contiguous parcels on the Town Hall side of the road, encompassing the town hall and the library. The original reason for the survey was to determine if the land between the current library and town hall was suitable for the construction of a new library; the survey was expanded because the town had never surveyed the entire area. The land preferred for a new library appears to be quite suitable, and this area has been set aside for the eventual construction of a library designed to meet the town's needs.

The selectmen were pleased to receive two presentations on behalf of the town this year. In June, Ms. Ellen Ervin's fourth grade class at Moharimet Elementary School presented the town with a copy of the nature guide they compiled, *Moha-*

*rimet Schoolyard Field Guide*. This is a detailed and beautifully-illustrated guide to the flora and fauna found in the local area. It is on display in the town hall lobby. In August, the senior members of Maple 4H Club presented the town with a picnic table that they constructed. It is located behind town hall at the beginning of the trail system, and is a welcome addition to the town hall amenities.

The Board of Selectmen meets on the first and third Monday of the month at 7:00 p.m. at the town hall. Residents are always welcome to attend the meetings and to put forth ideas to benefit our community.

Respectfully submitted,  
Joan Sundberg, Chair

## WARRANT FOR TOWN MEETING

MARCH 9, 2010

To the inhabitants of the Town of Madbury, County of Strafford, and the State of New Hampshire qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Madbury on Tuesday, the ninth day of March, 2010 at 11:00 a.m. in the morning for the purpose of voting on Articles 1 and 2 and at 7:00 o'clock in the evening for action on Articles 3 through 14.

The polls, which open at 11:00 a.m. for the purpose of voting on Articles 1 and 2 will close at 8:00 p.m. unless extended by vote of the meeting.

ARTICLE 1: To choose the following Town Officers: (Majority vote required)

A Selectman for the ensuing three years

A Moderator for the ensuing two years

A Town Clerk/Tax Collector for the ensuing three years

A Treasurer for the ensuing year

A Supervisor of the Checklist for the ensuing six years

Two Auditors for the ensuing year

A Trustee of the Trust Funds for the ensuing three years

A Cemetery Trustee for the ensuing three years

A Library Trustee for the ensuing three years

ARTICLE 2: To choose all other Town Officers. (Majority vote required)

ARTICLE 3: To see if the Town will vote to raise and appropriate \$1,156,135.00 for general municipal operations. This operating budget warrant article does NOT include appropriations contained in any other warrant articles. (Majority vote required)

ARTICLE 4: To see if the Town will vote to create a capital reserve fund for the purpose of reclamation of land purchased by the Town from the Estate of Michael Iafolla, and to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) to add to this fund; and further to name the Board of Selectmen as agents to expend from the Iafolla Reclamation Capital Reserve Fund. Recommended by the Board of Selectmen. (Majority vote required)

ARTICLE 5: To see if the Town will vote to create a recreational facilities fund for the purpose of planning and development of recreational facilities within the town, and to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to add to this fund; and further to name the Board of Selectmen as agents to expend from the Recreational Facilities Capital Reserve Fund.

Recommended by the Board of Selectmen. (Majority vote required)

ARTICLE 6: To see if the Town will vote to create a capital reserve fund for the purpose of purchasing police equipment, and to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to add to this fund; and further to name

the Board of Selectmen as agents to expend from the Police Equipment Capital Reserve Fund.

Recommended by the Board of Selectmen. (Majority vote required)

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) to add to the existing Purchase of Property and/or Easements Capital Reserve Fund established in Article 9 at the 2000 Town Meeting for the purpose of purchase of property and/or easements.

Recommended by the Board of Selectmen. (Majority vote required)

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Two Hundred Fifty Dollars (\$16,250.00) to add to the Property Revaluation Capital Reserve Fund established in Article 6 at the 2009 Town Meeting for the purpose of the revaluation of town properties.

Recommended by the Board of Selectmen. (Majority vote required)

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of Twenty-five Thousand Dollars (\$25,000.00) to add to the existing Library Building Capital Reserve Fund established in Article 9 at the 2002 Town Meeting for a library building fund.

Recommended by the Board of Selectmen. (Majority vote required)

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) to add to the existing Fire Equipment Capital Reserve Fund established in Article 8 at the 1994 Town Meeting for the purchase of fire equipment.

Recommended by the Board of Selectmen. (Majority vote required)

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to add to the existing Trust Fund known as the Madbury Memorial Park Fund established in Article 6 at the March 1994 Town Meeting for the purpose of maintenance and operation.

Recommended by the Board of Selectmen. (Majority vote required)

ARTICLE 12: To see if the Town will vote the retention of the unexpended portion of the 2010 Conservation Commission appropriation; said monies to be placed in the Madbury Conservation Fund.

(Majority vote required)

ARTICLE 13: To hear the reports of any Committees, Town Boards, and/or Commissions, and act on any motion thereto.

ARTICLE 14: To transact any other business that may legally come before the meeting.

Given under our hands and seal the 15th day of February in the year of our Lord, Two Thousand and Ten.

Bruce E. Hodsdon  
Joseph B. Moriarty  
Joan H. Sundberg

Board of Selectmen

We certify that on the 17th day of February, in the year of our Lord, Two Thousand and Ten, we posted a copy of the warrant at the Town Hall, Safety Complex, and the Town Clerk's Office being three public places in the Town of Madbury, as required by law.

Bruce E. Hodsdon  
Joseph B. Moriarty  
Joan H. Sundberg

Board of Selectmen

Strafford County, SS Town of Madbury and the State of New Hampshire. Personally appeared before me, the above mentioned Selectmen, and took oath to the above statement.

Pamela A Seaver, Town Clerk

## POLICE DEPARTMENT

It has been a very busy year, which came with many challenges. Training is on-going, with officers attending a 40-hour Police Mountain Bike Program in Laconia, N.H. This training has allowed our officers to patrol areas such as the Kingman Farm, Jenkins Road, and the Town Parks on bikes. We continue to train with the Strafford Attorney's Office Domestic Violence Unit and other specialized training with the N.H. Police Standards and Training Council in Concord. We have also held joint training events, serving as a "host agency" for specialized training such as the Colt Armor School.

We have said good-bye to several officers and have welcomed new faces. Officer Kevin O'Shea attended the part-time police academy early in 2009 and is now assigned patrol duties. He also brings a vast experience and background in computers. Officer O'Shea has assisted our citizenry, as well as other agencies, with cyber crimes. We are an affiliate with the Internet Crimes Against Children Task Force.

We continue working with school officials. We were challenged with an issue of parking in October, and as a result have developed a Special Event Parking Program. This will increase the number of vehicles that can be parked closer to the school. This special parking arrangement results from fire, police, and school officers working together to solve a problem at no cost to the community.

Officers continue to work with members of our community who become victims of crimes. We have assisted parents whose children have made contact with

Senator Jeanne Shaheen met with Lt. Steven Lee and Sgt. Timothy Mone when the Madbury officers attended National Police Officers' Memorial Day activities in Washington, D.C.

the Madbury Police. Our efforts have allowed many juvenile first-time offenders to complete a court diversion program where the offender performs community service instead of being prosecuted. This helps them realize the importance of making responsible choices.

In another youth outreach effort, the department has collaborated with the Madbury Volunteer Fire Department to establish an Explorer Post. This program introduces individuals 14 to 21 years old to emergency services, so they can learn more about police and fire careers. The post meets every Tuesday night from 6 to 8 PM at the safety complex.

*J. McGann photo*

Post 401 Emergency Services – Madbury Police and Fire

The department continues its efforts toward making Madbury's roads safe for everyone. Radar patrols have increased, and we have purchased a used radar trailer which we place in areas of concern. We encourage anyone who notices an issue of speed in his/her neighborhood to contact the department for placement of this unit; it takes all of our efforts to make Madbury a safe place to live. We ask that all suspicious incidents be immediately reported. We are only a phone call away and we are here to serve you.

In closing, I would first like to thank my officers for their hard work and dedication over the past year. I would also like to include the Madbury Board of Selectmen for their continued support, as well as the members of the Madbury Volunteer Fire Department, the Strafford County Attorney's office, members of the

University of New Hampshire Police Department, and the Troopers of the New Hampshire State Police Troop A Barracks. I now take this opportunity to thank you, the citizens of Madbury.

Respectfully submitted,  
Joseph E. McGann, Jr.  
Chief of Police

## FIRE DEPARTMENT

I would like to thank the residents of Madbury for their continued support of the Madbury Fire Department.

Although 2009 was a fairly quiet year for the department, quite a bit of training did go on. During the spring we hosted NH Fire Fighter 1 Certification Training at the Safety Complex, taught by the Interstate Emergency Unit, one of the mutual aid organizations which the department belongs to, along with the NH Fire Academy. This guaranteed six of our members seats in the class, which is usually full as soon as the application period opens. It also meant they did not have to travel far to attend classes.

In the fall we also sponsored the Fire Fighter 2 course, which four members completed. Fire Fighter 1 is about 140 hours of training, and level 2 is just shy of 100. For the second year, Lieutenant Dana Smith attended NH/VT weekend at the National Fire Academy in Emmitsburg, Maryland.

In addition to this training, members actively participated in various monthly department training, covering everything from EMS skills and auto extrication to portable pumps and fire fighting skills review.

Over the course of winter and spring, we rebuilt a portable lighting trailer that Schnitzer Metal Recycling donated to the department. It ran fine, but looked pretty rough. Fire Fighter A.J. Gimpelson led this project; the metal work was completely prepped and painted, and it now looks better than new, striped and lettered to match our apparatus. You may have seen it in operation lighting the cross walk between the Town Hall and the church during a couple of evening events at the school.

### Madbury Fire Department Calls, 2009

This fall we were able to replace one of the dry hydrants on Perkins Road with the help of Jesse and June Gangwer. Due to age, the hydrant by Pendexter Road

was no longer functional, so this is a major improvement to fire protection in that area.

Respectfully submitted,  
Thomas K. Perley, Fire Chief

## MADBURY PUBLIC LIBRARY

The Madbury Library was an active place in 2009. Circulation, interlibrary loans, and programs made for busy times at the library. Museum passes, take-away crafts and expanded video and audio collections were popular. Special events, such as a visit from the Boston Museum of Science, enriched our summer programs.

	Statistics		
	2007	2008	2009
Titles in collection	9337	11,006	13,296

*\*Includes story time but not attendance at other library programs or computer use.*

Many people made the library an exciting, welcoming community place. Edna O'Sullivan, Suzie Noronha, Noreen Gaetjens, Peggy Wolcott, and Jill Leavenworth kept the library open Monday and Wednesday mornings and Saturdays. Barbara Troxell, Cody Jacobsen, Aiden Bolduc and Sarah Litvaitis took on special projects. Jill Leavenworth, Pete Leavenworth, Amy Antonucci, Craig Stephan, Anne Dickerson, Charlie Reid, Noreen Gaetjens, the Druskat family, the Drugan-Eppich family and Lauren Winterholer all presented programs in our Armchair Traveler series or the Backyard Farming series.

Michael O'Sullivan painted faces at our book sales. Jill Leavenworth tutored beginning and intermediate computer users. Betty Anderson and Jenny Hickman taught knitting. Janet Dunham organized a pictorial history of the Madbury Library. Lorraine Morong spent hours sorting donated books, and everyone pitched in to help at the book sales. Bob Hodgson and Dick Houghton mowed our lawn, and countless gardeners tended our yard and gardens.

Noreen Gaetjens taught our youngest patrons how to plant bulbs for next spring. A special thank-you goes to Barbara Lilly for her generous donation of time, craft materials, and eggs to the Madbury Library and its programs! We appreciate those people, named and anonymous, who donated time, talent, and money to enrich the library community.

Eric Fiegenbaum was the Madbury Public Library Volunteer of the Year. The award was given "in recognition of his invaluable contributions to the library, his countless hours working with our computers, software and web presence. His dedication, quiet enthusiasm and cheerful humor are all much appreciated. One

Nancy Bergeron photo

Volunteers of the Year: Eric Fiegenbaum (2009) and Suzie Noronha (2008)

phone call and all problems vanish!”

A sampling of our 2009 programs:

- Read Around Madbury 2009– Greg Mortenson’s *Three Cups of Tea* books for adults, teens and children. We collected pennies and sent \$64.39 to Pennies for Peace.
- 6th Annual Bob Connors Summer Picturing Writing Workshop,
- A summer reading incentive went to Michelle Dionne who spent a day with Senator Jacalyn Cilley touring the State House.
- Author visit: Duane Shaffer (*Men of Granite: New Hampshire’s Soldiers in the Civil War.*)
- Madbury Fire Department’s very special offering: a fire truck to climb on and touch at story time during Fire Prevention Week.

A sample of community groups we welcome on a regular basis:

- The McGregor Memorial EMS team: CPR and AED, and First Aid training.
- Moharimet’s Mitten Board: community outreach program.
- The Oyster River Watershed association
- Seacoast Reads: UNH reading tutors for children.

2009 grants and awards which enriched our collection and our program offerings:

- April 2009 “NEH and ALA We the People Bookshelf”—19 books valued at \$380.

- July 2009 Boston Museum of Science Traveling Program—“Super-Cold Science.”

- Children’s Literacy Foundation Grant—\$2,000 of new children’s book for the library, two storytelling presentations at the

Moharimet School, a storytelling program at Kids N More Child Care, including a free book for each child.

- Gates Foundation grant of \$3,900 for two laptop computers, software, peripherals and supplies. (The Friends provided an additional \$1,300 in matching funds to meet the requirements of the grant).

- KBA NH State Library \$250 Grant—Mime Robert Rivest led a mime workshop for teens.

- NEH and ALA

Picturing America grant—20 double-side prints of great American artwork for use by teachers, patrons and home school families.

*Nancy Bergeron photos*

Trustees of the Library in 2009 were Margaret Wolcott, Jill Leavenworth, Edna O’Sullivan, Joan Valentine, and Don Melvin. A special thanks

is due to longtime Friend and Trustee Peggy Wolcott who is stepping down as a Library Trustee in March 2010. We will miss her invaluable guidance. Thankfully, Peggy has promised to continue to be a weekly volunteer. We treasure her hard work and ideas.

To learn about our Museum passes, book groups, writing group, story times, downloadable audio books and more visit our web pages.

Friends of the Library were led by Betsy Renshaw, Susan Cilia, Lorraine Morong, Pam Seaver, Carla Bonney, Doug Hoff and Pat Gleske. The Friends of the Madbury Library give financial support for many of our library programs. Their funds come from grants, donations and book sales. The Friends meet once a month at the library.

Sincerely,  
Nancy Bergeron, Director

## PLANNING BOARD

The housing market slowdown remains evident in Madbury. The Planning Board approved creation of only one additional house lot during the year.

Work started last year reached fruition in 2009 with the adoption of the Flood Hazard Area Overlay District ordinance which enables participation in federal flood insurance programs for Madbury property owners. The Neighborhood Commercial Zone was eliminated by ballot vote, removing some restrictions for property owners in this area which were left in place after old commercial interests had faded.

The Planning Board has devoted and will continue to devote a good deal of time to grappling with the recently enacted State requirements to create opportunities for Workforce Housing. At the State level, changes to the new law have already been proposed for this year's legislative agenda. Given a moving target and a stagnant housing market, the Board will move carefully and patiently on this difficult issue. Significant changes to our Zoning Ordinance may be required. The Planning Board will work to develop a workable change for the voters of Madbury to consider, probably at the 2011 Town Meeting.

During the coming year we anticipate a continued lull in subdivision applications as the housing market will probably remain quiet.

Respectfully submitted,  
Robert Sterndale, Chair

## CONSERVATION COMMISSION

In 2008 the State Legislature amended RSA 36:A which governs the actions of conservation commissions. They clarified the commission's ability to participate in two types of land conservation projects. These are projects outside of town boundaries, or projects where the town would provide funding but not hold property interests. A commission may only participate in these kinds of projects in the future if the town has adopted the new provisions. The Madbury Conservation Commission brought two warrant articles before the 2009 Town Meeting because Madbury has participated in similar projects in the past and because the Commission thought it prudent to have the option to be able to do so

*Alison and Lee Cloutier photo*

A red fox that spent a good part of a wintery day in a MCC member's front yard

in the future. Both warrants were passed by the voters.

The Commission completed its annual monitoring of the four conservation easements held in part by the Town and found no violations of the easement restrictions. We continue to have discussions with landowners interested in conservation easements, and also provided assistance to other entities that have similar land conservation objectives for land in Madbury.

The Commission worked with and provided comment to the Planning and Zoning Boards regarding development and land use issues which might effect natural resources in Madbury. Stormwater runoff is being recognized as a significant threat to certain ecosystems and there were several projects, both large and small, that addressed this issue.

Throughout the year we worked on updating the Town Properties booklet, which describes Town owned land and conservation easements. We also discussed ways we might make the considerable material about natural resources in Town more accessible to other boards and committees. The Commission provided an educational outreach display for Madbury Day.

As always, we encourage town residents to bring us their concerns, comments and ideas by letter, email, or attendance at our meetings. We meet on the fourth Monday of the month at 7:00 pm in the Town Hall.

Respectfully submitted,  
Eric Fiegenbaum

*C. Seaver photo*

The City of Portsmouth started an overhaul of its water supply infrastructure in Madbury during 2009, including this work on the Bellamy Reservoir Dam.

## RECREATION COMMISSION

The Mabury Recreational committee meets the 2nd Tuesday of each month to plan and co-ordinate recreational activities in the community.

This past year saw the completion of extensive renovations to the “lower diamond” at Demerit Park. Our playfields are very popular and are under constant demand during the playing season.

In 2010 we will turn our attention to further development of the trail system on the Tibbetts property to enhance the enjoyment of passive recreational opportunities as well as more strenuous endeavors.

We welcome any one who would like to volunteer to help serve on our committee.

Richard R. Houghton, Chair

*C. Seaver photo*

Bob Hodgson, Wally Dunham, Arthur Anderson, and Dick Houghton spring cleaning at the Town Hall

## CEMETERY TRUSTEES

The Madbury Cemetery enjoyed a year of quiet progress. The planting of several trees on the Town Hall Road side of the cemetery grounds will enhance the appearance of the property and create valuable shade in the years to come.

The grounds continue to benefit from the care and attention of many volunteers, who contribute their time to do gardening and weeding, as well as overall beautification of the property.

During 2009 there were no burials. Two burial plots and one memorial post were sold.

Rod Hutton

Priscilla Polichronopoulos and Noreen Gaetjens assist spring in bringing the gardens to life.

## WATER RESOURCES BOARD

The Madbury Water Resources Board concerns itself with issues of water quality and quantity in Madbury and the watersheds of the region. The many areas of interest are guided by the Town's Master Plan.

The Board regularly receives copies of water quality monitoring at the New England Metal Recycling facility (Schnitzer Steel) on Rt. 155 and has focused efforts on better understanding and tracking the reports. A newly monitored contaminant, 1,4-dioxane, was of concern. The facility operators came before the Board to explain modifications they were proposing to their stormwater treatment process. They also supplied several years of reporting data in electronic form. The Board provided positive comment to the Planning Board regarding the proposed improvements. On a much smaller scale the Board concurred with plans for stormwater treatment improvements to a small residential lot on the shoreland of Great Bay that was requesting a conditional use permit for a deck in the shoreland protection area.

The Board continues to work with the Selectmen and the Fire Department to make repairs to portions of the Hicks Hill water system. The Selectmen have made arrangements to repair the pump house structure.

Members of the Board attended a presentation on the State's new Water Primer, a large compilation of information to help inform policy makers and citizens about the state's water resources and the challenges faced in sustainably managing them. The Oyster River Watershed Association came before the Board to explain their nomination of the Oyster River to the State's Rivers Management and Protection Program. The program takes a regional approach to local water protection by establishing a multi-town advisory committee.

Of significant regional interest is the establishment of the Southeast Watershed Alliance that was recently authorized by the State. The SWA will enable and empower communities in the coastal watershed to join together to find cost-effective and creative ways to improve water quality. It is a response to high nitrogen levels in the Great Bay and possible impending federal requirements for improvement. Jim Irish, a Board member, has been appointed by the Selectmen to represent Madbury on the SWA, and the Board will provide assistance.

The Board meets on the last Tuesday of the month at 7:00 pm, and interested residents are invited to attend and participate in the discussions.

Respectfully submitted,  
Eric Fiegenbaum, Secretary  
Garret Ahlstrom, Chairman

*C. Seaver photos*

As discussed at the 2009 Town Meeting, the Perkins Road RR bridge was removed later in the year for reasons of safety.

## FRIENDS OF MADBURY LIBRARY

**D**uring 2009, the Friends adopted a building program for a new library. JMA consultant Claudia Morner, Ph.D., assisted with this, funded by a New Hampshire Charitable Foundation grant supplemented by the Friends. The Friends hope to have a model of a conceptual design by architect Bill Bartell on exhibit at Town Meeting.

A survey of the land between the Town Hall and the existing library seemed to indicate that this location is well-suited for a new library building.

The Friends have placed some savings in the N.H. Community Loan Fund where they can realize three per cent interest while supporting a state-wide non-profit. The group plans to expand fund-raising in order to add to the Library Building Capital Reserve Fund that Town Meeting has contributed to every year since creating it in 2002.

The Friends continue to support financially the programs offered at Madbury Public Library, and those presented cooperatively with the Lee and Durham libraries. The group also matched funds to obtain a Gates grant for two laptop computers for library use.

Donations of used books allow the library staff to augment the collection, and provide stock for the Friends' two annual book sales. Beyond that, children's and young adult books are taken to a local food pantry.

If the Friends may tender a wish list (beyond monetary donations to the building fund), top items would include a grant writer as well as more people to step forward and join their ranks. Meetings are about an hour long on the second Thursday of each month at 7 PM in the library.

Finally, the Friends echo and amplify the thanks given in the Madbury Public Library report to all the dedicated volunteers who keep the library going.

Lorraine Morong  
for the Friends

## STRAFFORD REGIONAL PLANNING COMMISSION

**S**trafford Regional Planning Commission (SRPC), a political subdivision of the State of New Hampshire, serves in an advisory role to the Town of Madbury and seventeen other communities. We provide planning services to assist officials, boards and citizens in managing growth and development and to foster regional collaborative efforts.

SRPC's professional staff offers a range of planning services in transportation; land use, economic development, natural resources and geographic information systems (GIS) mapping and analysis. These services are available in customized modes to meet the diverse needs of communities. Access is also provided to SRPC educational resources including our website, library, workshops and forums, and customized training.

### 2009 Accomplishments:

- Hired Planning Consultant Bruce Mayberry to update the 2009 Strafford Region Housing Needs Assessment in compliance with state requirements; staff available for presentations in 2010
- Updated Census statistical areas for the 2010 Census
- Met with Town officials for 2011-2020 for NH Transportation Ten-Year Plan Project Solicitation
- Worked with Town Boards on the Piscataqua Regional Estuaries Partnership environmental regulation assessment document created for all coastal communities in New Hampshire and Maine
- Distributed New Hampshire Planning and Land Use Regulation books to local land use boards
- Completed traffic counts based on NHDOT's requested traffic count list; available on web site
- Completed traffic counts requested by Town official on Town Hall Road
- Created GIS maps for residents as requested

### SRPC provided the following services to all municipalities in 2009:

- Approved amendments to 2009-2012 Transportation Improvement Program (TIP)
- Established work tasks and budget for 2010-2011 Unified Planning Work Program (UPWP) for region's transportation planning program
- Published and created maps and database for 2008 Annual Listing of Obligated Projects
- Collaborated with Alliance for Community Transportation (ACT) to provide coordinated transportation for human service agencies in Southeastern NH
- Served on Legislative Study Commission on siltation in the Great Bay Estuary
- Served on the Piscataqua Region Estuaries Partnership Management Committee

- Established a bi-weekly newsletter and regular updates on website to keep communities informed of meeting schedules, events, local news and other beneficial information
- Updated SRPC's standard map sets including Transportation, Conservation Land, Water Resources, Land Use and Community Features
- Downloaded and displayed the latest demographic and economic data to SRPC web page as tools for municipalities to utilize in planning efforts

#### Goals for 2010:

- Secure federal Economic Development Administration funds to create a Strafford County Comprehensive Economic Development document to be completed in 2010
- Participate in the Southeast Watershed Alliance organizing year as member of advisory committee per RSA 485:E
- Secure funding for regional and local projects in energy efficiency, economic development, water resources, transit and transportation

We look forward to working with the citizens and officials of Madbury in 2010 in an exciting time for the town. Thank you for the opportunity to serve you and for your continuing support of regional planning. Further questions or comments can be referred to Cynthia Copeland, AICP, Executive Director at [cjc@strafford.org](mailto:cjc@strafford.org). Please visit our website at [www.strafford.org](http://www.strafford.org).

If you would like to receive e-bulletins from SRPC, please go to the home page of our website noted above.

## DRAGON MOSQUITO CONTROL

The mosquito control season in 2009 was certainly remarkable. The spring and many of the summer months were rainy and cold, setting the stage for an active Eastern Equine Encephalitis (EEE) season. As a result, all aspects of mosquito control were challenging. More time and effort were dedicated to larviciding as wetlands had a steady supply of water resulting in extensive larval activity.

Eastern Equine Encephalitis had a record breaking year in 2009. Activity was found reaching across the entire southern portion of the state, extending as far north as Moultonborough. New Hampshire's only reported human case occurred in Candia, although multiple veterinary cases were confirmed throughout the state. Mosquitoes carrying EEE were found in 32 communities, including Madbury. Positive mosquitoes were also found in neighboring Dover, Newmarket, Newfields and Newington.

Dragon has identified 70 larval mosquito habitats in the Town of Madbury. Crews checked freshwater sites over 260 times throughout the season. There were 97 treatments to eliminate mosquito larvae. In addition, 47 catch basins were treated to combat disease carrying mosquitoes. Spraying to control adult mosquitoes was conducted once last season in response to EEE activity in Madbury.

The proposed 2010 Mosquito Control plan for Madbury includes trapping mosquitoes for disease testing, sampling wetlands for larval mosquito activity, larviciding where mosquito larvae are found, and emergency spraying when a public health threat exists. The control program begins in April when mosquito larvae are located in stagnant water such as swamps, ditches, and woodland pools. Trapping adult mosquitoes begins in July. The mosquito control program ends in late September or early October when temperatures drop.

Homeowners can reduce the number of mosquitoes in their yard by emptying any outdoor containers that hold standing water such as buckets, trash barrels, and boats. Tires collect enough water for mosquitoes to survive. It is also a good idea to change the water in bird baths every two or three days.

If you're new in town and do not want your property treated for mosquitoes, then a written request is needed. Please send a letter to Dragon Mosquito Control, P.O. Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, and a description of your property with boundaries. Otherwise, your wetland may be treated. Anyone who sent a written request in 2009 may call the office to reaffirm your request. Our phone number is 964-8400. You may call our office for assistance regarding mosquitoes, the insecticides we use, spray dates, or questions about EEE and WNV.

For more information on Eastern Equine Encephalitis and West Nile Virus, visit the NH Department of Health and Human Services online at [www.dhhs.state.nh.us](http://www.dhhs.state.nh.us) or the Centers for Disease Control at [www.cdc.gov](http://www.cdc.gov)

Respectfully submitted,  
Sarah MacGregor, President

## **MCGREGOR MEMORIAL EMS**

*"Committed to Compassionate Excellence"*

**M**cGregor Memorial EMS is a regional, non-profit organization providing emergency medical services and education to the communities of Madbury, Lee, Durham, and UNH. Our volunteers include residents of Madbury, Lee and Durham and students at UNH. Founded nearly four decades ago in memory of Dr. George G. McGregor, we recently celebrated our 40th anniversary. McGregor maintains an organizational commitment to excellence, and prides itself on being one of the most cost-effective, highly trained and professionally organized ambulance services in the state. To learn more about McGregor, visit our website at [www.mcgregorems.org](http://www.mcgregorems.org) or call us at 862.3674.

In 2009, McGregor EMS achieved several significant milestones in its efforts to offer the Town of Madbury the best emergency medical services. First, McGregor received a Homeland Security FEMA Grant, worth \$21,000, to purchase state-of-the-art monitors that detect carbon monoxide in the blood, increasing our ability to save lives and protect firefighters. McGregor received the grant in part because it is regional, serving three communities and fire departments. We have applied for new grants to fund additional advanced equipment.

Another McGregor upgrade is the newly purchased, advanced life support ambulance (EMS 3). This ambulance replaces McGregor's oldest ambulance, which served the community for over 13 years and ran up 150,000 miles. With this purchase, McGregor will continue to operate two frontline ambulances (EMS 3 and EMS 1), a paramedic intercept (Intercept 1), and a ready-reserve ambulance, ensuring our ability to provide medical care 24/7. The new ambulance was paid for in part by donations from the community and imposes no additional costs on taxpayers. It has a markedly different exterior design, including a checkered band and much brighter exterior lighting, enhancing safety by making it more visible.

In addition, McGregor EMS has purchased a fourth Lifepak 12 Cardiac Monitor, ensuring that all three ambulances and our paramedic intercept are equipped with these lifesaving devices. The monitor was paid for through donations and existing funds; no new investment from the Town was required.

McGregor's Institute of EMS, among the largest centers for EMS education in New Hampshire, continues to be financially self-sustaining; indeed, it provides funding to McGregor EMS, subsidizing the cost of providing EMS coverage and saving our communities over \$40,000 per year.

The Institute of EMS made national news with its inaugural conference, Focus EMS. The conference offered a variety of educational sessions focused on pediatrics to nearly 200 EMTs and school nurses from across New England. This event featured newly-appointed FEMA Deputy Administrator Richard Serino and Dr. James Callahan, Director of Medical Education at Children's Hospital of Philadelphia, among others. This event provided local EMTs and firefighters the opportunity to learn from high quality experts in emergency medicine from throughout the US at a fraction of the cost of attending a national conference.

McGregor Institute, working in conjunction with the Career Technical Center in Somersworth that serves the Oyster River student community, has received a grant to provide EMT-Basic courses to local high school students. Funding for these courses was obtained through the New Hampshire Charitable Foundation’s Piscataqua Region, including the Walker Fund. Interested Oyster River juniors or seniors should contact their school guidance counselor or Nathan Duclos (nduclos@mcgregorems.org) for more information.

McGregor Institute’s CPR Safe program is also the largest provider of CPR training to the communities we serve. In 2009, we trained over 3000 Community CPR Heroes in Madbury and across New Hampshire. McGregor offers classes in CPR/AED, First Aid, and Babysitting at the Madbury Public Library and other area libraries. McGregor’s CPR Safe for Schools Program is a school-friendly program designed to assist schools in creating healthy, safe school environments. The four ORCSD schools continue to maintain their CPR Safe certifications by working closely with the CPR Safe program.

	Call Volume Trends					
	2004	2005	2006	2007	2008	2009
Annual Calls	1181	1262	1288	1512	1442	[1550 Approx.]
% Increase	-6%	7%	2%	17%	-5%	7%

McGregor’s response times in Madbury continue to be equal to or better than the best EMS systems in the state, including in communities such as Concord that spend significantly more per capita on EMS than the towns we serve.

McGregor EMS now has a total of over 70 EMTs, the highest in our history, due both to our high retention of experienced EMTs and to our ongoing successful recruiting campaign. We currently have: 46 EMT-Basics, 17 EMT-Intermediates, and 7bParamedics.

McGregor’s availability is one of the best in the state, including 99.9% availability for first and second due calls and 100% paramedic availability for first and second due calls.

Goals for 2010

McGregor will continue its competitive recruiting campaign for additional EMT volunteers. This campaign supplements McGregor’s very high retention of senior EMTs and paramedics, who have on average over 13 years EMS experience.

McGregor intends to buy advanced multi-channel medication pumps, enhancing the ability of McGregor’s paramedics to administer lifesaving medications.

McGregor plans to continue steps to enhance safety, including reducing the number of high-speed “lights-and-sirens” responses. Leading EMS and fire agencies cross the country are cutting down on such responses, increasing the safety of EMT responders and the public.

McGregor will run a fund drive campaign in early 2010, seeking to raise funds for capital equipment purchases.

Finally, as both our EMS operations and our educational operations continue to grow, we have begun the process of planning for our future facility needs.

## VITAL STATISTICS

### BIRTHS

- 1/1/09 Lindsey Marie Paquette, daughter of John Paquette and Dierdre Boryszewski, in Dover, NH
- 1/11/09 Anthony Jack Janjigian Trifiro, son of Jack and Sara Trifiro, in Dover, NH
- 1/11/09 Lucy Marin Janjigian Trifiro, daughter of Jack and Sara Trifiro, in Dover, NH
- 2/8/09 Jason Michael Distefano, son of Jason and Jennifer Distefano, in Dover, NH
- 3/27/09 Hannah Lynn Sordiff, daughter of Joseph Sordiff and Kristina Durand, in Dover, NH
- 7/1/09 Isabella Shirley Kane, daughter of Matthew and Amanda Kane, in Exeter, NH
- 7/18/09 Emily Frances Taylor, daughter of Brian and Melissa Taylor, in Dover, NH
- 8/11/09 Quinlan Nash Patton, son of Samuel Patton and Amber Goolbis, in Lebanon, NH
- 8/14/09 Carter Evan Arnold, son of David and Breeanna Arnold, in Dover, NH
- 9/16/09 Cabot Giles Holden-Mount, son of Sarah and Lee Holden-Mount, in Dover, NH
- 9/16/09 James Kenneth McEwan, son of Robert and Rebecca McEwan, in Exeter, NH
- 10/15/09 Sage Caubren Stephan, son of Craig Stephan and Lauren Winterholer, in Dover, NH
- 10/21/09 Strummer Lee Ronald Hellier, son of Ty and Erica Hellier, in Portsmouth, NH
- 10/29/09 Lochlan Henrik McEwan, son of Stephen McEwan and Shannon Keefe, in Madbury, NH
- 12/08/09 Cole Anthony Underwood, son of Peter and Michelle Underwood, in Dover, NH
- 12/20/09 Addie Lee Holden, daughter of Marc and Kelly Holden, in Dover, NH

### MARRIAGES

- 4/4/09 Aaron R. Anderson of Nottingham, NH and Catherine A. Borchers of Madbury, in Dover, NH
- 5/16/09 Jeffrey R. Hilpert and Patricia A. Desrosiers, both of Madbury, in Madbury
- 5/22/09 Karl J. Slifer of Madbury and Patricia H. Solvignon of Chicago, IL, in Lee, NH

- 6/20/09 Joseph M. Harris of Farmington, NH and Rebecca A. Davis of Madbury, in Conway, NH
- 7/4/09 David P. Martin and Michele J. D’Ambrosio, both of Madbury, in Rye, NH
- 7/28/09 Randall J. Tilton of Madbury and Jaimee T. Fowler of Barrington, NH, in Rochester, NH
- 7/31/09 Michael E. Gill and Kathleen L. Douglas, both of Madbury, in Madbury
- 9/19/09 Joseph E. Keating and Sarah E. Bartlett, both of Madbury, in Dover, NH
- 11/05/09 Kristin M. Blanchette and Randall R. Ray, both of Madbury, in Madbury

DEATHS

- 4/1/09 Katherine Zenda Santarelli, daughter of Thomas Zenda and Mary Streever, in Portsmouth, NH
- 5/14/09 Edith Comtois, daughter of Hylas Wheeler and Edith Palmer, in Dover
- 6/16/09 Evelyn Louise Hodgson, daughter of James Ritchie and Mabel Woodward, in Dover
